Revenue Settlement Office,
Party No. IV Cannanore,
Dated 17th April 1929.

From A.R. Mac Ewen Esquire, M.C., I.C.S.,
Special Settlement Officer

To The Secretary to the Commissioners of
Land Revenue & Settlement
Chepauk M A D R A S

Sir,

Survey - experimental re-survey - South Kanara -
check of re-survey records - proposals submitted.

In South Kanara, an experimental re-survey was carried out in the Putthur, Kundappoor, and Udipi Taluks; the re-survey of these Taluks has been negatived in G.O.No. Mis.1853 Revenue, dated 11-8-28 and G.O.No. Mis.2237, Revenue, dated 26-9-28, and the records of the experimentally re-surveyed villages are in the hands of the Assistant Director of Survey.

2.A similar situation arose in Malabar, and the Board, in its proceedings Mis.No.72, dated 9-1-29, has permitted me to take up the final check of the experimentally re-surveyed desams there. The considerations that I adduced in the case of the Malabar desams--the necessity for giving the Revenue officers up-to-date records based on the re-survey and thus ending the present anomalous situation of Revenue administration on old survey records, with re-survey demarcation--hold good in South Kanara too; and, now that Government have issued orders on the question of the treatment of kumaki land in South Kanara, (G.O.No.661, dated the 27th of March, 1929), there is nothing to delay the work of final check any longer. The various orders recently passed by Government in connection with the re-survey of the old Kasaragod Taluk, will be strictly followed in these experimentally re-surveyed villages; that is to say, the
